Mr. Matthew Baird
Director of Training

2430 E Street, N.W.
Washington 25, D.C.

Dear Mr. Baird:

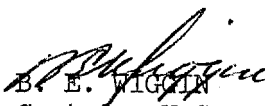

The 1961 curriculum of the Postgraduate Division of the U.S. Naval Intelligence School again includes instruction and application pertinent to the Travel Folder Program. Past experience has revealed that the introductory presentation given by a member of the Central Intelligence Agency greatly enhanced the School's instruction with regard to the Program. [] of your staff gave the presentation last year, and it would be greatly appreciated if he could again be made available.

The introductory presentation is scheduled for Wednesday, 12 April 1961 between the hours of 0830-0930. The Postgraduate Class consists of forty-eight officer students, all of who are cleared for access to Top Secret material.

If this request meets with your approval, Lieutenant Commander J. J. Pavelle, Jr., USN of my staff is authorized to provide liaison with your designated representative. LCDR Pavelle may be reached on code 1215, extension 458.

Sincerely,

B. E. WIGGIN
